Walkie Talkie Hire Price List – Digital Radios

Hytera PD705LT Digital UHF Radio

Our powerful new Hytera digital UHF radios are ideal for use in all conditions, indoors and outdoors, country and city.

Digital radios can give clearer voice communication because of digital error correction.

The walkie-talkies have a strong spring-loaded belt-clip on the back so that the user can clip it to their belt or pocket etc.

No. of radios hired	up to 1 week	1-2 weeks	2-3 weeks	month

Chargers are always included in the hire price for the walkie-talkies.

We have single chargers and also 6-slot charger units.

We usually supply enough chargers to allow all of the hired radios to be charged at the same time.

If you need fewer chargers, or want a particular type of charger, let us know.

The radios are generally sent out with their batteries charged. Charging from totally flat takes 1 – 2 hours maximum.

Spare batteries can be charged on the chargers separately from the radios, so you can have fresh batteries ready to be quickly swapped for flat ones.
