

## Amherst Walkie Talkie Radio Hire Centre

### Hire Prices For Motorola GP344 Walkie Talkies

We have a quantity of compact but powerful Motorola GP344 UHF walkie-talkie radios available for hire.

We have single “drop-in” desk chargers for them, and some 6-slot multi-chargers.

We have “D-type” earpiece/microphones for hire for these radios, and some spare battery packs.

Pricing is basically the same as for our other hire walkie-talkies:

£11 per radio for up to 1 week’s hire. Charger(s) included as needed.

£1 per earpiece/microphone per week or part-week.

£1 per spare battery pack per week or part-week.

We have found by testing that the effective range and performance of these GP344 walkie-talkies is the same as for our Kirisun PT4200 UHF walkies that make up the bulk of our “hire fleet”.

However, we provide a quantity of Motorola GP344s for those customers who prefer Motorola equipment.

Prices exclude VAT which will added at 20%.
